

MORIMURA BROS., INC. - CSR Policy

MORIMURA BROS., INC. can trace its roots directly to Morimura Gumi, an international trading company established in 1876 by Ichizaemon Morimura VI.

Ichizaemon wrote that the "Creed of our Company" was "To recognize the brotherhood of man, promote peace in the world, bring happiness to everyone and practice justice and humanity by means of foreign trade."

For more than 140 years, we have been active in the area of foreign trade, and helping to foster global economic development and to enrich the lives of people around the world.

The "Creed of our Company" stated by Ichizaemon has been passed down to the 21st century, a time of rapid change for the world. We believe that we should pass the Creed down to future generations.

Given growing corporate globalization and the increasing importance of fair corporate activities and corporate ethics, we place the "Creed of our company" at the core of our corporate philosophy and aim to be a company that is aware of its social responsibility and that contributes to sustainable social development.
